Mental Health Clinician

Title: Mental Health Clinician

Reports to: Program Director

Department: Stockton Trauma Recovery Center

Our mission: To promote the cultural, spiritual, economic and social renewal of the most vulnerable families in Stockton and the greater San Joaquin Valley.

Job Summary: The Stockton Trauma Recovery Center (STRC) is designed to increase access of trauma informed mental health treatment, comprehensive clinical case management and culturally relevant services for victims of violent crimes who are vulnerable and have traditionally not been adequately served. The STRC will develop a comprehensive framework and cross-system collaboration between residents, system leaders, health care providers and city level that will create a strong referral system, will reduce community violence and promote the holistic, culturally-relevant treatment of trauma caused by crime.

Primary Responsibilities

Job duties & responsibilities include but are not limited to:

Clinical Intervention, Consultation, Psychotherapy, Liaison, Outreach and Case Management:

- Conduct intakes of new clients, including a thorough biopsychosocial assessment
- Provide individual, group, family and conjoint therapeutic services
- Collaborate with all therapists involved in therapeutic services
- Assist in treatment planning of all clients
- Provide case management
- Participate in collaborative model of care
- Complete assessments, progress reports and treatment plans

Teaching, Training, and Program Development:

- Provide in service trainings, case conferences and community presentations
- Maintain active status of BBS Registration, as well as professional liability insurance

- May assist with program development, including identification and implementation of types of appropriate measurement-guided mental health treatment.

Record Keeping and Administration and Other Duties:

- Maintain client records according to California, City, and County requirements
- Assists in data collection for program evaluation and research purposes
- Assist in the development of efficient assessment tools, handouts and other related materials for improved client care
- Attend staff meetings and other assigned meetings, participates in training sessions
- Maintain confidentiality as outlined in licensure governing board, as well as adhering to all HIPPA regulations

***Other duties as assigned**

Minimum Qualifications:

- Must be registered with BBS
- MFTI and/or ASW may apply
- Must be able to move between different treatment approaches (clinical case management versus evidence-based, trauma-focused psychotherapy) depending on the needs of the client
- Must demonstrate cultural humility and a strengths-based, recovery philosophy
- Extensive cultural competencies with respect to two or more ethnic groups
- Experience working in multi-cultural and multi-ethnic settings
- Experience working with trauma-related incidents and/or mental health services
- Strong commitment to social, racial and economic equity along with human rights
- Bring inspirational presence, reliable leadership, and enthusiasm for the program's mission and vision to community meetings and other strategic sites
- Reliable transportation
- Ability to work well in a fast-paced environment
- Ability to work independently or within a team structure
- Bilingual in English and other language is preferred but not required

Compensation: Compensation is commensurate based on education, skills and experience

Benefits: FFSJ has a comprehensive benefits package because we are committed to the health and well-being of our staff. We offer platinum level medical insurance, dental, vision, life, and retirement benefits upon meeting the probationary period.

Process to apply: Please send a resume, cover letter, and 3 professional references to hr@ffsj.org. Use subject line "Mental Health Clinician Application" in your email.

Equal Employment Opportunity: At FFSJ, we are proud to be an Equal Opportunity workplace that celebrates diversity and inclusion of all people. FFSJ stands together with our most vulnerable communities, including people of color, women, immigrants, LGBTQIA+ folks, veterans, individuals with disabilities, and more. We show love and give our folks a reason to live with purpose - regardless of their background and identities. Because our work is grounded in love and social justice, we will not tolerate any form of discrimination against any legally protected characteristics.
